

## Craps Dice Game Dealer's Roll (in boxes)

3	4	5	6	7	8	9	10	11
---	---	---	---	---	---	---	----	----

### How to Play:

1. Players place a bet in their circle below (using poker chip).
2. Dealer rolls two dice and places marker on the score they rolled (in the row above).  
*If dealer rolls two 1s or two 6s, dealer rolls again.*
3. Each player takes a turn rolling two dice.
4. If their roll is higher than the dealer's roll, they double their bet. If their roll is lower, the dealer takes their bet.
