

McCormick Care Foundation

The McCormick Care Foundation is a charitable organization that was established in 1984. The Foundation is dedicated to raising funds for programming and research to benefit the current and future residents and clients of McCormick Home and McCormick Dementia Services and enhance their quality of life.

The Foundation supports enhanced life enrichment programs and therapeutic recreational activities, such as art and music therapy, additional social work support, country drives, the annual Strawberry Social, musical entertainment, special event dinners, our Celebration of Life memorial event, barbecues, and staff education initiatives.

Through a variety of fundraising initiatives, the Foundation has contributed a cumulative total of more than \$1 million in support of McCormick Home and McCormick Dementia Services.

The Foundation raises funds through:

- Individuals, including tribute and memorial donations
- Direct mail appeals
- Major gifts and corporate sponsorships
- Planned gifts, such as gifts of stock/securities/life insurance/bequests
- The Ritz, a gala fundraising dinner held each January
- Third-party community events

Through tax-deductible donations, the community plays an important role in helping the Foundation to meet the needs of the residents and clients we serve. Donations to the Foundation can be made by phone, fax or online at mccormickcarefoundation.ca. We accept cheques, cash, MasterCard and Visa, and in person by debit. Tax receipts are issued for donations of \$20.00 or more, or upon request.
